4. Will you be able to set up prior to or early morning of Friday and be available to provide interpretation to area school students on Friday afternoon?

5. Would you like to attend our Saturday evening twilight cemetery tour?

6. Would you like to attend our very unique and special Sunday morning 1680's layman led church service, based on a 17th-century Book of Common Prayer? _____

When participating, you will be seated as a parishinor (in the pews or gentry boxes according to class you represent.) This is an educational program. HSL takes great pride in its historical accuracy. This is not a true religious service and since it is led by a layman there will not be any communion.

All Participating re-enactors receive complimentary registration to attend and participate in the event. As a registered re-enactor during the event weekend, you are considered an official volunteer of HSLR and therefore protected under our insurance programs. Anyone who is not registered will not be considered a volunteer or protected under our insurance.
