

# CELEBRATE AT ST. LUKE'S

ST. LUKE'S  
HISTORIC CHURCH  
& MUSEUM

Welcome to St. Luke's Historic Church & Museum. Our church building and grounds are available for private event rentals. While weddings are our most popular private event, use of the church building and our 43 acre venue is limited only by imagination. Come tour our building and grounds, tell us what you want, and let us see what we can imagine together.

The maximum capacity of the 17<sup>th</sup> century church building is 150. Restrooms are available in our Administration Building.

Electrical service for tented receptions is available on the South Lawn. The Pine Grove offers a unique view of church building and stained glass windows, while being shaded beneath the pines.

Contact Fred Hodges, Sales & Services Manager, by phone at 757-357-3367 or by email at [fhodges@stlukesmuseum.org](mailto:fhodges@stlukesmuseum.org).

St. Luke's Historic Church & Museum does not discriminate on the basis of race, religion, creed, nationality, gender, or marital status in any of our business practices.
